Highlights on the tour: View of the village from Oberbichl and of the Kaiser Mountains.

From the Tourist Info starting point, the tour leads through the local area to the Oberbichl district, past the Kronbichler Chapel to the Hotel Peternhof, further downhill towards Kössen, always with a unique view to the Kaiser Mountains in front of you.

When you arrive shortly before Kössen, turn right again following the signs into Mühlbergweg. The tour follows the MTB signs uphill in the direction of Rinderbrach- and Frankenalm. It is worth taking a break here and enjoying the impressive mountain panorama when you stop for a break.

After a last small ascent to the Dichtleralm, it goes back the same way until you drive after the Frankenalm via the Embachalm to the Hutzenalm, then via Birnbach to the starting point.

Orientation text: This tour runs in the border region of Tyrol and is signposted by the tourism associations responsible there. After crossing the border, orientate yourself on the signs. Furthermore, we recommend a navigation device (mobile phone, GPX device) and careful planning before the start of every tour!
