Highlights of the tour: church of St. Johann im Gebirg, Staubfall waterfall

From the starting point Seegatterl, the first 400 m uphill in the direction of the Winklmoos-Alm. From here we cross the imposing Unkenbach valley with the Schwarzberg Gorge, with flat and downhill passages towards the village of Unken.

On the main road after the Friedlwirt, turning left towards Heutal valley, after about 1 km turn left again towards Gföll, we follow this road steadily uphill to Moarlack, here down again into the Heutal valley.

Simply leave your bikes at the Heutaler Hof (e-bikers can charge their e-bikes there) and walk behind the Heutaler Hof in the direction of Staubfall waterfall. The way to the waterfall becomes increasingly narrow and is rewarded with a great view of the steeply sloping waterfall.

Back at the Heutaler Hof, you cycle over the Herbstalm on a wide but steep forest road up to the Winklmoos Alm and from there again back to Seegatterl.

After crossing the border, orientate yourself on the signs. Furthermore, we recommend a navigation device (mobile phone, GPX device) and careful planning before the start of every tour!
